

# Zwolle Loggers & Forestry Festival

P.O. Box 146  
Zwolle, Louisiana 71486

Plans are now underway for the 2019 Zwolle Loggers and Forestry Festival. This year will be the 25<sup>th</sup> anniversary festival. The festival will be held on May 10 & 11. We are excited to offer you an opportunity to participate in our sponsorship program. We hope that we will be able to include you in our plans for this year's festival.

The Zwolle Loggers and Forestry Festival began in 1995 and pays tribute to the logging and forestry industry in our area. The industry is such an important factor in the economics of the town, parish, and the entire state.

Giving back to the community is our number one mission. Over the years, the festival has been instrumental in bringing positive changes to the town of Zwolle and Sabine Parish. Other organizations look to the festival for funding each year. The festival creates a tremendous economic impact on our area.

If you were a sponsor last year, thank you so much. We hope that you will continue to support our festival. We hope that with your sponsorship, we can continue to be a vital instrument in celebrating an industry that impacts so many lives in our area.

Please review the enclosed proposal and feel free to contact me to discuss any questions that you may have. We look forward to hearing from you and hope to see you at this year's festival.

With Kindest Regards,
